**Purpose**

---

With over three decades of continuous practice I now want to pass on my body of knowledge to veteran practitioners and young, up and coming chiropractors. I will share some history of the field and the need to preserve the philosophies of healing with chiropractic manipulation in today's healthcare culture. I want to teach what will be necessary to change the public opinion of chiropractic care and chiropractors and what our purpose should be in practice.

**Education**

---

Cleveland Chiropractic College, Los Angeles, CA Doctor of Chiropractic, Magna Cum Laude	1980-1984
Los Angeles City College, Los Angeles, CA	1979
